

Evening Mass January & February 2019

NOTICE IN RELATION TO

ALTAR RENOVATION

Work is due to begin on the new altar and toilet facility on January 21st. We would ask everyone to bear with us during the disruption. During the renovation we plan to remove the Blessed Sacrament to the Tabernacle in the Angel Chapel.

For the duration of the works we will continue to have Mass every morning at 9am and our usual weekend Masses. We will not have the Monday 6.30pm Mass until the works are completed. While drainage works are being done for the new toilet, access to the Adoration Chapel will not be possible from the right hand side of the church. The Chapel will remain open for the duration and can be accessed by walking around from the left hand side or the rear of the Church. We will keep you informed of the situation via the bulletin and in the altar notices.
